University of Essex

**A unique opportunity to
locate to a landmark building
on a global campus.**

Clingoe House at the Knowledge Gateway opened in 2024 and is available now for immediate occupation.

Clingoe House is located in a landmark position at the very entrance of the Knowledge Gateway Research and Technology Park making it an impressive headquarters building. It sits adjacent to the established first and second phase of Parkside Office Village.

Whilst the preference is to secure a single tenant for the remainder of the space, the accommodation is highly flexible and can be let on a part floor basis with a range of office suites capable of being created.

The Colchester Campus, in which Parkside Office Village sits, is a Green Flag Award winner and has won the UK People's Choice Award six years running.

The specification includes:

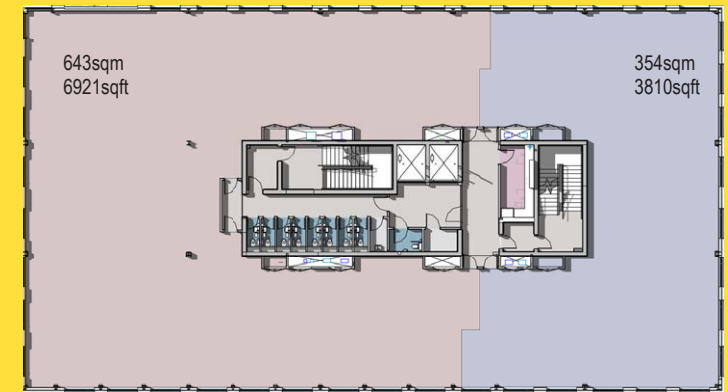

- LED lighting
- Full access raised flooring
- Two passenger lifts
- Shower facilities
- Suspended ceilings
- Air Conditioning / Comfort Cooling
- Full CCTV and 24-Hour security
- A building concierge (if required)
- On-site parking - 1:30sq.m
- BREEAM – Very Good / EPC – A
- Eco-friendly 'green roof' with PV panels

Knowledge Gateway

Set in 200 acres of mature parkland, the University of Essex's Colchester Campus has been home to the Knowledge Gateway research and technology park since 2010.

Focused on providing a perfect home for business, Parkside is the first and most widely established phase and has more than 20 resident companies with further ambitious development plans for the future. Future developments at The Heath and The Ridgeway will see a considerable amount of further high-quality office and R&D space created.

The Knowledge Gateway's Innovation Centre opened in June 2019. This exciting development of 38,000 sq ft provides the space, plus the vital hands-on support, to help 50 start-ups and small businesses scale-up and succeed.

On-Campus facilities include:

- Four-star Wivenhoe House Hotel and brasserie
- Conferences facilities supported by Event Essex
- Childcare at Wivenhoe Park Day Nursery 8am to 6pm
- Sports centre and gym with membership and classes
- Excellent cafés, restaurants and bars
- 24-hour mini-market, ATMs, Post Office
- Lakeside Theatre and Art Exchange gallery
- Landscaped parkland covering more than 200 acres
- Research facilities including ESSEXLab
- State-of-the-art interpreting lab similar to UN standards

Current Occupiers include:

Clingoe House Parkside, Knowledge Gateway

Knowledge Gateway businesses benefit from support to access a talented pool of students and recent graduates. They can inject enthusiasm and fresh approaches into your business.

The University of Essex is one of the best for working with business and is number one for Knowledge Transfer Partnerships in the UK with 40+ R&D projects with businesses (UKRI, March 2022).

Essex is top 30 in the UK
(The Guardian University Guide 2025)

86% of graduates are in employment or further study (Graduate Outcomes 2024)

We are top 20 for international outlook
(Times Higher Education, World University Rankings 2025)

25th in the UK for research quality
(Times Good University Guide 2022)

Location

The Knowledge Gateway is within the University of Essex's Colchester Campus. The site is conveniently accessed off the A113, three miles west of Colchester town centre.

The A12 is an easy drive giving access to London and Cambridge and the wider UK motorway network.

Excellent amenities include cafés, restaurants, bars, post office, a 24 hour mini mart and a sports centre and gym.

Colchester

Colchester offers many benefits as a base for your business. It is rapidly growing, with the population forecast to increase by 24% to 224,700 by 2031 backed by major regeneration efforts by Colchester Borough Council.

As well as a great range of shops and services, the area offers superb quality of life for employees, with Dedham Vale and Constable Country within a few miles, rural Suffolk to the north and the many picturesque Essex coastal towns and villages to the east, all easily commutable from the Knowledge Gateway.

Labour Supply

Economically Active	99,500
In Employment	95,300
Employees	85,700
Self Employed	9,600
Unemployed	3,600
